

Virtual Imaging in Pathology: A Revolution
Teaching . Research . Diagnosis
Saturday, February 20, 2010

SEMINAR ORGANIZING COMMITTEE

Seminar Director

Najla Fakhruddin - Beirut, Lebanon
Pathologist - HHUMC
Clinical Associate - AUBMC
LSP Board Member
nf21@aub.edu.lb

Members

Ayman Tawil - American University of Beirut Medical Center - Beirut, Lebanon
Ekkehard Vollmer - Research Center Borstel - Borstel, Germany
Essam Ayad - Cairo University and Italian Hospital in Cairo - Cairo, Egypt
Gerard Abadjian - Hotel Dieu de France Hospital - Beirut, Lebanon
Ghazi Zaatari - American University of Beirut Medical Center - Beirut, Lebanon
Klaus Kayser - Institute of Pathology - Berlin, Germany
Marwan El-Sabban - American University of Beirut - Beirut, Lebanon

SCIENTIFIC ADVISORY BOARD

Lebanese Committee

Members Ayman Tawil - Beirut, Lebanon
Gerard Abadjian - Beirut, Lebanon
Ghazi Zaatari - Beirut, Lebanon
Marwan El-Sabban - Beirut, Lebanon
Najla Fakhruddin - Beirut, Lebanon

International Committee

Members Essam Ayad - Cairo, Egypt
Klaus Kayser - Berlin, Germany
Ekkehard Vollmer - Borstel, Germany

Virtual Imaging in Pathology: A Revolution
Teaching . Research . Diagnosis
Saturday, February 20, 2010

PROGRAM

I. Virtual Microscopy in Teaching (30 min)

Ghazi Zaatari, MD

Professor and Chairman, Department of Pathology and Laboratory Medicine, American University of Beirut, Beirut, Lebanon.

Associate Dean, Faculty of Medicine, American University of Beirut, Beirut, Lebanon.

II. HOPE Fixative for Enhanced Digital Imaging (60 min)

Ekkehard Vollmer, MD, PhD

Clinical & Experimental Pathology, Research Center Borstel, Borstel, Germany

Satellite Symposium

Coffee Break and Exhibition (30 min)

III. Virtual Microscopy in Research (45 min)

Virtual Microscopy as Applied in Research

Marwan El-Sabban, PhD

Professor, Department of Human Morphology, Faculty of Medicine, American University of Beirut, Beirut, Lebanon.

IV. Photography in Gross Examination (30 min)

Ayman Tawil, MD

Associate Professor, Director of Anatomic Pathology, Department of Pathology and Laboratory Medicine, American University of Beirut, Beirut, Lebanon.

Satellite Symposium and Lunch (90 min)

V. Virtual Microscopy in Diagnosis (120 min)

Klaus Kayser, MD, PhD

UICC-TPCC, Institute of Pathology, Charite, Berlin, Germany.

Coffee break and visit to exhibition (30 min)

Virtual Imaging in Pathology: A Revolution
Teaching . Research . Diagnosis
Saturday, February 20, 2010

VI. Telepathology

Beyond the Pyramids: Telepathology in Egypt (60 min)

Dr. Essam Ayad, MD

Professor of Pathology, Faculty of Medicine, Cairo University & Consultant Pathologist,
Italian Hospital in Cairo, Cairo, Egypt.

The Hotel Dieu de France Hospital Experience (30 min)

Gerard Abadjian, MD

Associate Professor, St. Joseph University, Beirut, Lebanon.

Supplementary Details

Target Audience:

- Pathologists
- Oncologists
- Hematologists
- Medical laboratory technologists
- Medical Laboratory Technology program directors
- Medical students
- Medical program directors
- Residents in Pathology and Clinical Laboratory Science
- Researchers

Location:

The Order of Physicians, auditorium and exhibition area

Beirut, Lebanon

High speed internet access will be provided

Expectations:

- Application of virtual microscopy in diagnostic pathology:
 - Feasibility
 - Limitations
 - Expected developments in the near future
