

Annual Report 2017-2018

Dr Eduardo Calonje MD on behalf of the Dermatopathology WG

I took over as the chair of the Dermatopathology WG in September 2017 in Amsterdam. Since then the following educational sessions have been organized by the WG for the European Congress of Pathology to take place in Bilbao, Spain in September 2019:

Monday 10 September:

1. Videomicroscopy (2hrs30): Inflammatory dermatoses
2. Short Course (2hrs): Cutaneous pseudomalignancies
3. Short Course (2hrs): Diagnostic challenges in melanocytic neoplasms

Tuesday 11 September:

4. Joint Symposium with Ophthalmic Pathology WG (2hrs): Common and unusual eyelid tumours

The contributing guest speakers represent several European Countries and are leaders in the field in their respective countries.

The next planned activity will be the Dermatopathology Sessions in the European Congress of Pathology to take place in Nice, France in September 2019.
