## **2022 WG Cytopathology report**

Summary of the WG Cytopathology activities:

- 1) Participation to the hybrid 34<sup>th</sup> ESP Congress in Basel (Switzerland) scheduled September 3-7, 2022 with 4 sessions with the following organizations and WG's:
  - a. IARC-WHO-IAC proposal for lung cytopathology: Joint Long Course between IAC and WG Cytopathology on Monday September 5; 8:30-12:00)
  - b. Junior and senior pathologist facing a cytologic challenge: Joint Slide Seminar between ESP Trainees Subcommittee WG and WG Cytoapthology on Tuesday September 6; 8:30-12:00
  - c. Recent advances in molecular cytopathology: Symposium of WG Cytopathology on Tuesday September 6; 14:45-16:45
  - d. *Updates on urine cytology; the Paris System 2.0 and beyond*: Short course of WG Cytopathology on Tuesday September 6; 17:30-19:30.
- 2) Participation of some members of the ESP WG Cytopathology in the following 2 publications :
  - a. COVID-19 pandemic impact on cytopathology practice in the post-lockdown period: an international, multicenter study.

Vigliar E, et al. *Cancer Cytopathol*. 2022;130(5):344-351;

PMID: 35006650; DOI: 10.1002/cncy.22547.

b. Reference standards for gene fusion molecular assays on cytological samples: an international validation study.

Malapelle U, et al. J Clin Pathol. 2023 76(1):47-52.

PMID: 34429353. DOI: 10.1136/jclinpath-2021-207825.

- 3) Proposal for the 35<sup>th</sup> ESP Congress in Dublin (Ireland) scheduled September 9-13, 2023 with the following 4 sessions:
  - a. FNA/FNB interpretation in pancreatic diseases: Joint Videomicroscopy between WG Digestive (pancreas) and WG Cytopathology) on Monday September 11, evening session; 17:15-19:15.
  - b. The 3<sup>rd</sup> edition of The Bethesda System for Reporting Thyroid Cytopathology: Long course of the WG Cytopathology on Tuesday September 12; 8:30-12:00.
  - c. The crucial role of cytopathology in head and neck: Joint Short Course between WG Head and Neck Pathology and WG Cytopathology on Tuesday September 12; 14:45-16:45.
  - d. The state of art of digital cytopathology: Joint Short Course between WG IT Digital Computational Pathology and WG Cytopathology on Tuesday September 12, evening session; 17:30-19:30.
