

Activities of Alessandro Franchi, MD  
Department of Surgery and Translational Medicine  
University of Florence  
Largo Brambilla 3, 50134  
Firenze, Italy

#### **Presentations at ECP 2013, Lisbon:**

1. Sinonasal tumours: what I'd put in a new classification. In: Short Course: Controversies likely to arise in the new WHO Classification at various head & neck sites. 25th European Congress of Pathology, Lisbon 31 August- 4 September 2013
2. Head & Neck. In: Neuroendocrine tumours at rare sites. Problems of diagnosis, classification and prognosis. 25th European Congress of Pathology, Lisbon 31 August- 4 September 2013.

#### **Presentations at ECP 2014, London:**

1. Pathogenesis and diagnosis of sinonasal adenocarcinomas. In: Head and Neck Pathology: Recent advances in the pathogenesis and diagnosis of head and neck tumours. 26th European Congress of Pathology, London, 30 August-3 September
2. Poster Session Head & Neck Pathology. A morphologic, immunohistochemical and molecular study of sinonasal Intestinal Metaplasia (IM) in Intestinal-type Adenocarcinoma (ITAC) patients.

#### **Book Chapters**

1. O. Gallo, A. Franchi, I. van der Waal, G. Snow, A. Renehan. Warthin's tumour: pathogenesis and treatment options. In: Controversies in the management of salivary gland diseases. McGurk M and Combes JG eds. 2nd Edition. Oxford University Press, 2013.
2. O. Gallo, A. Franchi. Aetiology and molecular changes in salivary gland tumours. In: Controversies in the management of salivary gland diseases. McGurk M and Combes JG eds. 2nd Edition. Oxford University Press, 2013.

#### **Scientific papers published on Head and Neck**
