

Minutes from the ID WG business meeting (via WEBEX) 12/10/2020

- ID WG will have informal business meetings 2 times per year (virtual) - next meeting is planned for late spring/early summer-all WG members will be invited via email
- Proposal for a new WG chair & co-chair according to the ESP guidelines - ID WG members should nominate candidates and send suggestions to current chair/co-chair - new chair/co-chair should be elected @ business meeting @ Gothenburg 2021
- discussion about webinar in ID pathology (analogy to postgraduate courses in ID pathology) - ESP provides resources for this - WG chair will inquire opportunities from ESP - issue should put forward and discussed until next business meeting
- ECP 2021 Session Proposal for Gothenburg
 - 1.) Joint Symposium Electron Microscopy & Infectious Diseases
"The role of EM in the characterization of a newly emerging pathogen – lessons learned from COVID-19"
 - 2.) Joint Symposium Nephro-, Cardiovascular-, Infectious Diseases Pathology
"Organ involvement in COVID-19 – more than the lung"
 - 3.) Joint Slide Seminar or Video microscopy - Cytopathology & Infectious disease pathology
"Pathogens in cytology"
 - 4.) Joint Symposium or Short course - Ophthalmic & ID pathology
"Pathology with an eye for infections"
 - 5.) Videomicroscopy "Fungal and parasitic infections"

proposal sent to ESP; until now we have no feed-back but will get further information during January
