13.00 - 14.00

LUNCH

Afternoon

14.00 – 15.30: Prof. Manuel Sobrinho-Simões/ Prof. Ales Ryska

Interactive case-based session: - Tumor with follicular growth pattern

Coffee break

16.00 - 18.00: Prof. Manuel Sobrinho-Simões/ Prof. Ales Ryska

Slides Discussion with the faculty - 10 cases including 3 from the participants

18.00-18.30: Prof. Manuel Sobrinho-Simões/ Prof. Catarina Eloy/ Prof. Ales Ryska

Quiz: - Non-neoplastic and follicular lesions – progress evaluation

Second day - November 24, Friday

Papillary carcinoma, medullary carcinoma, poorly differentiated carcinoma and anaplastic carcinoma

Morning

09.00 - 10.30: Prof. Manuel Sobrinho-Simões/ Prof. Yersu Kapran/ Prof. Ales Ryska

Interactive case-based session: - Papillary carcinoma and medullary carcinoma

Coffee break

11.00 - 11.30: Prof. Gianni Bussolati

Keynote Lecture: - Historical background on C cells and medullary carcinoma

11.30 - 13.30: Prof. Manuel Sobrinho-Simões/ Prof. Yersu Kapran/ Prof. Ales Ryska

Slides discussion with the faculty: - 10 cases including 3 from the participants

13.30 - 14.30

LUNCH

Afternoon

14.30 – 16.00: Prof. Manuel Sobrinho-Simões/ Prof. Catarina Eloy/ Prof. Ales Ryska

Interactive case-based session: - Poorly differentiated/ anaplastic carcinoma

Coffee break

16.30 - 18.00: Prof. Catarina Eloy/ Prof. Ales Ryska

Slides discussion with the faculty: - 8 cases including 3 from the participants

18.00 – 18.30: Prof. Manuel Sobrinho-Simões/ Prof. Catarina Eloy/ Prof. Yersu

Kapran/ Prof. Ales Ryska

Quiz: - Differentiated and poorly differentiated thyroid carcinomas – progress evaluation

19.00 DINNER

Third day - November 25, Saturday

Miscellaneous thyroid neoplasms

Morning

09.00 - 10.30: Prof. Yersu Kapran/ Prof. Ales Ryska

Interactive case-based session: - Rare thyroid tumors

Coffee break

11.30 - 13.00: Prof. Yersu Kapran/ Prof. Ales Ryska

Slides discussion with the faculty: - 5 cases

13.00 – 14.00: Prof. Manuel Sobrinho-Simões

Course evaluation and farewell
