Nick Dudding nick.dudding@sth.nhs.uk (UK) : Take home messages

Speakers, chairs and audience round table

D/ Oral Free Papers session:

Chairs: Ambrogio Fassina (Italy); David Poller (UK)

E/ Poster session:

Chairs: Beatrix Cochand-Priollet (France); Ambrogio Fassina (Italy), Milana Panjkovic (Serbia)

The Business Meeting of the Cytopathology WG of the ESP was then hold at 12.30 PM. This BM has not had a scientific part and was devoted to the affairs of the WG only. The chairman opened the meeting and welcomed the participants. The audience was informed about the main decisions done by the ESP WG committee concerning our WG, about the next European Congress of

*Pathology that will be held in Köln, 25-30 September 2016 and co-organized with the IAP. Information were also given concerning the **ESP Advanced Training centres** and discussion was opened. The meeting was then closed at 1.30 PM.*

Beatrix Cochand-Priollet, Cytopathology WG chair.
