

**Breast Pathology Working Group of the ESP
Business meeting
Prof. Dr. Zsuzsanna Varga, Chair
Prof. Dr. Gabor Cserni, Co-Chair**

Time: February 21, 2023 05:00 – 05:30 PM Brussels, online per Zoom link (provided by ESP prior to meeting).

Agenda

1) Welcome (Z. Varga, G. Cserni)

23 members and an ESP official representative were present online during the meeting.

2) Proposal for the 2023 Dublin ESP Meeting (Z. Varga)

The proposal for the Dublin meeting has been submitted to the ESP scientific board with three proposed sessions in breast pathology including a Special Session (Illustrated highlights of the ICCR dataset in breast cancer), a Slide Seminar (Challenging breast pathology cases) and a Joint Session with the Molecular Pathology Working Group.

3) Update Breast Pathology Working Group members (Z. Varga)

Currently there are n=177 members in the Breast Pathology WG of the ESP.

4) Re-Election ESP Breast Pathology Chair and Co-Chair (G. Cserni)

In accordance with the Bylaws of the ESP the Chairs of the Working groups are elected by the members of the Working Group on a biennial basis. Both the Chair and Co-Chair of the Breast Pathology WG have been elected for a next term. The next formal election will take place during the business meeting of the Breast Pathology Working Group at the Dublin 2023 ECP Meeting.
