

ESP Masterclass course on upper female genital track neoplasms (adnexa and uterine corpus)

Venue: ESP Headquarters

Address: Square de Meeûs 18 (4th floor), 1000, Brussels, Belgium

Dates: 14-15 April 2025

Faculty:

Xavier Matias-Guiu, Spain

Glenn McCluggage, UK

Attendance: This course is with on-site attendance only and will not be recorded

Course language: The course will be provided in English

Eligibility criteria:

- To be an ESP member with active membership for 2025
- To be a board-certified pathologist (i.e. to have completed residency)
- To be currently practicing Gynaecopathology and to have experience of at least 5 years on this field

Registration fees:

For the educational programme only*: **350 Euro**

For both the educational programme and the social event (dinner at a restaurant): **400 Euro**

*Registration for the course programme includes access to the course venue, coffee breaks and lunches, access to the online platform with the course material and a personalised certificate of attendance.

There is no option for on-site registrations/payments.

Deadline to register: **14 March 2025**

The number of total available slots is **18**. These will be allocated on first come, first served basis. Registrations will halt when the maximum capacity is reached, even before the deadline. A waiting list will then become available.

After successful registration, each participant is strongly encouraged to submit 2 cases relevant to the subject of the Masterclass. Preferably, the cases are to be provided as whole scanned images (WSIs). If a scanner is not available, then cases can be provided via a PowerPoint presentation.

The submitted cases, after review from the Faculty, will be distributed to the participants. Each participant will receive a case from another one, without revealing the diagnosis, and will present the case during one of the case presentation sessions.

The timetable for case presentations will be communicated in due time to confirmed participants.

The case submission process will be supervised by Dr Christos Poullos, ESP Education Manager, who is available to answer any questions regarding the Masterclass at c.poullos@esp-pathology.org

Course Programme

All times are for local time in Brussels, Belgium

Day 1 - Monday 14 April 2025			
Time	Duration (min)	Activity	Speaker

Each case presentation includes: a) 5 minutes presentation of the case, b) 5 minutes for the discussant to support his/her diagnosis and c) 5 minutes of whole-group discussion.

The **ESP Masterclass course on upper female genital track neoplasms (adnexa and uterine corpus), Brussels, Belgium 14/04/2025 - 15/04/2025**, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **12.0 European CME credits (ECMEC®s)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at <https://edhub.ama-assn.org/pages/applications>.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
