

## ESP/QuIP Lung EQA Scheme “Lung Cancer Related Markers” 2026: Open for Registration

We are pleased to announce the registration for the EQA Scheme “Lung Cancer Related Markers” 2026. The program is organized as a cooperation between the European Society of Pathology (ESP) Foundation and QuIP (Quality in Pathology).

The registration and test periods as well as prices are listed in the table below. Please register early to secure your spot!

Proficiency Test (PT)	Price (€)	Number of participants	Registration Period	Test Period
ALK (IHC)	420	60	13.04.2026 - 14.08.2026	19.10.2026 - 27.11.2026
ROS1 (IHC)	420	60		
ALK Fusions (ISH)	470	50		
Mutations (MolPath): <i>EGFR</i>	600	80		
*Mutations (MolPath): <i>KRAS, BRAF</i>	350	60		

\*To take part in the *KRAS* and *BRAF* supplement, it is compulsory to register for *EGFR*.

Click [here](#) to register. Please note that a QuIP user account is required for the registration (see [QuIP-FAQ](#)).

All updates to the ESP/QuIP Lung EQA Scheme „Lung Cancer Related Markers“ 2026 program and registration will be announced on the homepages/newsletters of both [ESP](#) and [QuIP](#). For more information, please contact QuIP via [office@quip.eu](mailto:office@quip.eu) or +49 30 921 0717 – 0.
